HARDY FERNS

Fax: (01886) 833517

Ferns grow best in semi-shade or full sun. They do not require acid soil. Perennial plant developing into large clumps, with outstanding architectural appearance. A mixture of evergreen and deciduous.

Approx height after 10 years in cms	<i>e</i> = evergreen <i>se</i> = semi evergreen <i>d</i> = deciduous		Pot size in ltrs	Guide Price each
---	--	--	---------------------	------------------------

ADIANTUM (*Maidenhair Fern*)

20x30 spread	<i>se</i>	'Aleuticum' (<i>Asiatic Maidenhair Fern</i>). Bluish-green fronds. Dwarf variety suitable for rock gardens.	3	4.90
30x40 spread	<i>e</i>	Capillus-veneris (<i>Maidenhair Fern</i>). Light green fronds with creeping rhizomes. Slender purplish-black stems.	3	4.90
50x40 spread	<i>se</i>	pedatum 'Japonicum' . Young fronds conspicuous red, turning to green on maturity.	3	4.90

ASPLENIUM (*Harts Tongue Fern*)

15x25 spread	<i>e se</i>	trichomanes . Fresh green, feather-like fronds.	3	4.95
15x20 spread	<i>e se</i>	– 'Incisum' . Deeply serrated fronds.	3	4.95

ATHYRIUM

100x85 spread	<i>d</i>	felix-femina (<i>Lady Fern</i>). Fine large green fronds.	3	4.95
80x80 spread	<i>d</i>	– 'Cristatum' . Flat, fan-shaped crests form on the fronds.	3	4.95
90x80 spread	<i>d</i>	– 'Fieldii' . Narrow fronds up to 90 cms.	3	4.95
50x30 spread	<i>d</i>	– 'Frizelliae (<i>Tatting Fern</i>). Very narrow upright fronds. The pinnae are contracted into flattish balls appearing like a necklace of green beads.	3	4.95
30x40 spread	<i>d</i>	– 'Minutissimum' . Dwarf form with very little fronds.	3	4.95
60x50 spread	<i>d</i>	nipponicum 'Metallicum' . Thin metal-grey fronds with purple-red veins.	3	4.95
60x50 spread		otophorum 'Ok anum' . Leathery creamy-white fronds, having red veins.	3	4.95

BLECHNUM

15x15 spread	<i>e</i>	penna-marina (<i>alpinum</i>). Fronds dark green, glossy wintergreen, small and feathered.	3	5.95
35x25 spread	<i>e</i>	– 'Serratum' . Finely-cut, lobate fronds.	3	5.95

CRYPTOMIUM

65x85 spread	<i>e</i>	falcatum (<i>Fishtail or Holly Fern</i>). Compound fronds, thick, glossy dark green.	3	4.95
